

UNIVERSAL Car Charger

Today, the mobile use of laptops requires an intense power supply throughout the day. Recharging the device between appointments or on a long journey reduces the often costly need to change the battery in the field. This charger's compatibility with 90% of devices makes it an easier peripheral to manage especially during a laptop refresh when it can be retained for the new device.

COMPATIBILITY

fits 90% of the
PC's on the market

REFERENCE

162/CCH/02/10P
