INSTALLATION OF THE 360° ROTATING HANDSTRAP FOR TABLET

REF 001400

Retirez les deux films de protection des pastilles adhésives Velcro®.
Remove the two protective liners from the Velcro® adhesive pads.

Positionnez la hand strap au dos de la tablette en veillant à son bon alignement.
Align the hand strap on the back of the tablet.

Appuyez fermement sur les zones adhésives, puis laissez la colle polymériser pendant 24 heures avant utilisation.
Press firmly on the adhesive pads, then allow the adhesive to fully cure for 24 hours before use.

Insérez les quatre sangles Velcro® dans les encoches prévues à cet effet sur la tablette ou sur la coque de protection.
Insert the four Velcro® straps into the slots provided on the tablet or the protective case.

Si nécessaire, ajustez la longueur du Velcro®. Recoupez l'excédent de sangle tout en conservant au moins 2 cm de surface de fixation pour assurer une adhérence optimale.
If necessary, adjust the length of the Velcro® strap. Trim any excess while leaving at least 2 cm of fastening surface to ensure optimal grip adhesion.

La hand strap est prête à être utilisée.
The hand strap is ready for use.
