KEY FEATURES

★ OPTIMIZED ERGONOMICS

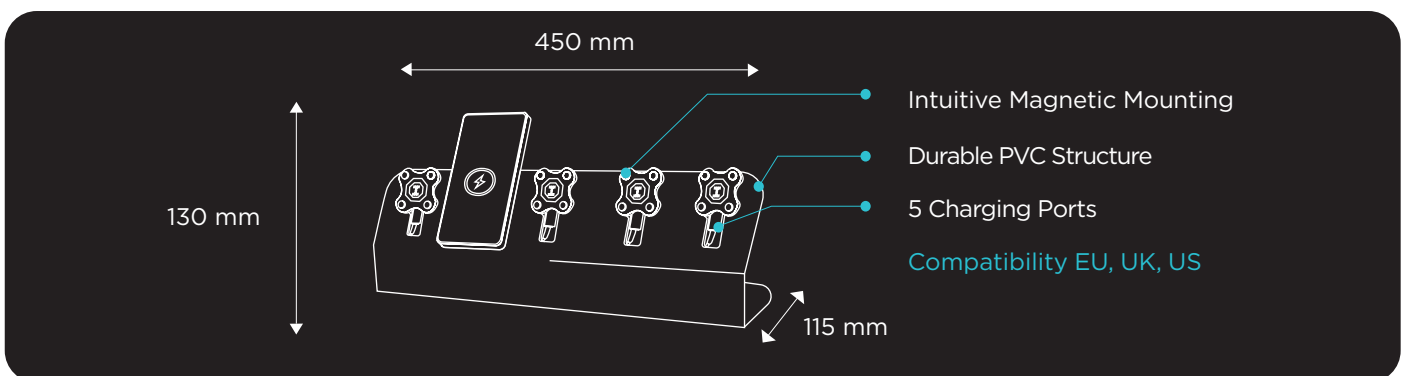

Intuitive one-step attachment and compact design for minimal clutter.

★ UNIVERSAL COMPATIBILITY

Suitable for all smartphones and HHDs, regardless of brand or model.

★ INTERNATIONAL COMPATIBILITY

Comes with removable power cords, including three plug types for EU, UK, and US sockets.

✦ **SPEED & POWER**

Power Delivery technology and 120W GaN power block with 6 USB-C 2.0 ports, Quick Charge compatible for efficient charging.1 Intelligent Power Allocation (IPA)*2.

**2 Intelligent Power Allocation (IPA) is a technology used in multi-port USB chargers to optimize power distribution based on connected devices.*

Here's how it works:

- ✦ *Device Detection: The charger analyzes each connected device (smartphone, tablet, mobile terminal, etc.) to identify its power requirements.*
- ✦ *Dynamic Power Distribution: It adjusts the power delivered to each port according to the specific needs of each device.*
- ✦ *Overload Prevention: When multiple devices are plugged in, the charger ensures that the total available power is not exceeded, avoiding overheating or poor energy distribution.*
- ✦ *Charging Speed Optimization: It allocates more power to devices that need fast charging and reduces power to those that are nearly full.*

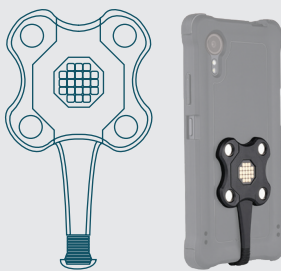

YOUR KIT INCLUDES 4 COMPONENTS:

- 1 5-port charging station
- 2 5 x 30 cm USB-C cables (65W max*3)
- 3 Mains power cable
- 4 6-port USB-C charging block

Ref. 020006 NOT INCLUDED WITH THIS ITEM.

THE MAGNETIC DONGLE

Compatible with all mobile devices (smartphones, HHDs) equipped with a centered USB-C port, whether used with or without a protective case.

✦ **SMART MAGNETIC INTERFACE**

It protects and redirects the original USB-C port to the back of the device, allowing charging and data transfer without manual plugging for an instant and seamless connection.

✦ **EASY INSTALLATION**

Quick, tool-free installation: the attachment easily fixes to the back of the device or its case using a 3M VHB adhesive, ensuring a durable hold without the need for readjustment.

SPECIFICATIONS

Ref	Product	EAN code
020010	Energia Dock – Charging station 5 slots 120W - EU plug	3700992536057
020011	Energia Dock – Charging station 5 slots 120W - UK plug	3700992536064
020021	Energia Dock – Charging station 5 slots 120W - US plug	3700992536767
020006	Magnetic Pogo Pin Dongle (USB-C receiver)	3700992536019
