

ENERGIA CHARGER

100 W WALL CHARGER
2 USB C + 1 USB A - GaN

Ref. 020036

Easily and safely recharge all your devices with a range of powerful and compact accessories.

PRODUCT

ACTUAL SIZE

FEATURES

⚡ 2 USB-C port 100W Max
+ 1 USB-A port 18W Max

- ⚡ Power Delivery compatibility
- ⚡ GaN component
- ⚡ Compact and lightweight design
- ⚡ Compatible with all European power outlets (type C/E/F)

Power Delivery / PPS (Programmable Power Supply) technology: For USB-C charging ports.

These technologies speed up and optimise charging while adjusting the power delivered according to the device being charged. The mains adapter will not deliver the same power to charge a smartphone as it will to charge a tablet. This makes for **faster, more efficient** recharging, while preserving and **extending battery life**.

GaN (Gallium Nitride) component:

This component enables more efficient and **compact** electronic systems that **reduce energy losses**. Mains adapters equipped with this GaN component **consume less energy** while being smaller and lighter than traditional adapters.
